SKRIV UT SPARA KOPIA TA BORT ALLT

SVENSKA KENNELKLUBBEN
HUNDÄGARNAS RIKSORGANISATION

You are invited to judge breeds listed in BSI – Breed Specific Instructions

Exaggerations in confirmation can cause serious problems for individual dogs as well as for a breed as a whole. Therefore have the Nordic Kennel Clubs approved *Breed Specific Instructions, BSI*. The intention is to increase awareness for increased risks of unsoundness and physical exaggerations in the listed breeds, and in the long run support a sustainable breeding of pedigree dogs.

You are invited to judge the following breeds listed in BSI:

A report, *REPORT – observations of areas of risk in the BSI-listed breeds or in any other breed*, will be given to you by the ring stewards. After judging these breeds you should fill out the report with your positive and negative observations and hand it to the ring steward.
