Held online on 22nd March 2026 at 10 AM

Participants:

Pernilla Pöykiöniemi, Sweden

Caærola Brusevoll; Norway

Tiina Jounio, Finland

Emmy Marie Simonsen, Denmark

Chairperson and minute taker: Emmy Marie Simonsen

Minutes:

Should the Nordic Championship be held under FCI rules from 2027?

Caærola mentioned that one competitor in Norway would like not to have the Animal Welfare section for the Nordic Championships, but Norway does support the suggestion. Sweden, Denmark and Finland support the suggestion without reservation.

The Nordic Championship will be held under FCI rules from 2027.

Any other business

Friendship competitions:

Maybe in the future we could have “friendship competitions between the 4 countries – maybe a few times during the year. This would include dog and handler teams, who would like to try to compete internationally, but does not qualify for the national team.

Sweden has a “talent group” for people who would like to be on the national team.

This kind of competition would “train” younger, inexperienced dogs for future international competitions.

CACI-XX Shows:

So far no country has held an International Show with CACIFS and CACIHTM or applied for it.

Nordics 2027

It will be in Finland, and it will most likely be in September.

Next meeting:

14th March 2027 held online.
